collection aims to provide biographies of Roman emperors from Hadrian through Carus and his sons, with some additional figures.

The collection is divided into two main parts: the *Vitae Imperatorum* (Lives of Emperors) and the *Vitae Sanctorum* (Lives of Saints), though the latter is often considered a later addition or appendage. Historical Importance and Challenges

The SHA has played a pivotal role in shaping the early understanding of Roman imperial history. Its biographical sketches provide insights into the personalities, political intrigues, and social contexts of the Roman Empire during a turbulent period.

However, the collection is also marked by challenges:

- **Sources and Biases:** The compilers relied on earlier sources, some now lost, but also included their own biases, especially favoring certain emperors or moral perspectives.

Despite these issues, the SHA remains invaluable for understanding Roman imperial culture and historiography, offering both historical data and literary qualities.
